### A pair of Wedgwood black basalt vases

A pair of Wedgwood black basalt twin handled vases mid 20th century typically decorated in relief with Classical style figures and on square pedestal bases, impressed factory marks, 28cm high (2)

### Condition Report

One vase is slightly loose from its bolt to the pedestal base and can rotate freely. No signs of any cracks, chips, damages or repairs. Needs cleaning - some tightly packed dust has collected around the relief frieze.

One base simply impressed 'Wedgwood', the other 'WEDGWOOD MADE IN ENGLAND'. Please see images.

These were previously owned by a lady who was a thrower for Wedgwood in the 1950s/60s.
