A rare Worcester porcelain blue and white chocolate cup

A rare Worcester porcelain chocolate cup circa 1762, of plain 'U' shape with a simple scroll handle, painted in blue with the 'Solid Fence Pavilion' pattern, comprising a three-story pavilion by a fence and pine tree, a diaper border inside the rim, crescent mark, 7.5cm high

Condition Report

There is a very small over-glazed 'ding' to the foot rim, beyond that the only comment to make is there the interior base of the cup has a number of surface scratches. No signs of any further damages or any repairs.
